

The Girlie Magazines

(For Rob Cuscaden)

(Ah, here they are)

*Pink taffy
nipples
top breasts
too creamy
too perfect
there is no
female who
has steep hills
of flesh
like this blond
Only from
the skilled use of
a brush
and wet dream
of an artist
(too much alone)
could this
nude come forth
to stand here
between page 12
and 13
of a sex mag*

(I'll buy this one)
